THE SPORTS MEDICINE ALL-STAR TEAM

The jersey numbers proudly indicate the years each brand has been serving professionals.

OUR NEW TEAM HAS EVERYTHING YOUR TEAM NEEDS TO WIN

Sports Medicine legend Cramer Products, Inc. has added market leaders Biofreeze, TheraBand, and Perform to the team that already included Active Ankle. This joint roster now includes the best training, performance, sports medicine, rehab and recovery products available anywhere.

Sports Medicine Products	Performance Products	Training & Rehab Products	Recovery Products
Athletic Tape	Compression Garments	Elastic Resistance	Topical Analgesics
Ankle Braces	Kinesiology Tape	Stability Trainers	Cold Therapy
Supports	Protective Apparel	Exercise Balls	Other Topicals
Training Room Supplies	Grip/Anti-Friction	Aquatic Training	Myofascial Rollers
Athletic Training Kits	Hydration	Paraffin Wax	Stretching

All Biofreeze, TheraBand and Perform products may not be available from all stores and distributors.

OUTPERFORM THE COMPETITION

Cramer athletic tape, from the moment it's applied and through the final buzzer, bell or whistle, it never gives up its grip. It's easy to apply, plus it sticks and stays stuck, even through sweat and rain.

CRAMER 950 ATHLETIC TAPE

100% cotton porous backcloth. Latex free adhesive. Easy-to-tear and highly conformable. Computer calibrated unwind for consistency throughout the roll.

UNDERWRAP

Printed Underwrap

Cramer printed underwrap brings a sense of style to the most versatile accessory in sporting goods, tape underwrap. Focusing on fashion oriented patterns and colors, Cramer printed underwrap allows athletes to express themselves in a whole new way. Open-cell foam prevents skin irritation when used under athletic tape. The underwrap also works great as a hair tie or for affixing padding, cold packs, etc. Case of 4.

LACE-UP BRACES

NEW

Active Ankle® Pro Lacer

Athletes who prefer the comfort and mobility of a lace up but desire a lower profile less restrictive design. Foam lined 840 denier nylon shell provides durability and comfort. Pro Fit heel and forefoot cut for better fit and function. Circumferential strap helps stabilize the brace, preventing unwanted slippage and providing a secure and comfortable fit. Speed lacing eyelets for fast application, greater comfort, and reduction of pressure points. Non slip silicon printing on sole to prevent sliding in the shoe.

Active Ankle® AS1 PRO™

Athletes who prefer the comfort and mobility of a lace up but desire the added support and security of a "tape-job". Non-stretch vertical straps imitate the effects of the heel lock technique used in taping an ankle. 840 denier nylon shell is lined with neoprene for the highest level of comfort and durability in a lace up brace. Pro Fit heel and forefoot cut for better fit and function. The circumferential strap helps stabilize the brace, preventing unwanted slippage and provides a secure and comfortable fit preferred by many athletes. Speed lacing eyelets for fast application, greater comfort, and reduction of pressure points. Non slip silicon printing on sole to keep straps in place.

RIGID ANKLE BRACES

Active Ankle® T1™

For athletes who want to protect an injured ankle or help provide support for a chronically sprained ankle.

Neoprene padding system provides maximum comfort and compression. Two straps and a bilateral hinge provide unequalled ankle protection for chronic instability or preventive use during increased activity. Rigid supports help prevent side-to-side movement.

Active Ankle® Volt™

For athletes looking for the highest level of protection and support available today without excess weight and bulk.

Polypropylene shell provides light-weight protection without sacrificing stability and support. Custom-cut and molded EVA foam pads provide a more comfortable fit and improved durability compared to the foam or neoprene pads found in other rigid braces. Redesigned bilateral hinge provides a smoother motion than previous models. Molded bearing design allows for free and easy movement through reduced friction.

NEOPRENE

Diamond Ultralight Knee Brace

Features a unique hinge that provides excellent support with minimal weight. Felt buttress helps promote proper patellar tracking. Designed to provide extra medial-lateral stability to athletes who need extra support. (Measure around knee at the widest point.)

279408	S (12"- 13½")
279409	M (13½"- 15½")
279410	L (15½"- 17½")
279411	XL (17½"- 18½")

Diamond HD Knee Brace

Dual layer of neoprene provides extra warmth and support. Steel dual-pivot hinge assists with medial-lateral stability. Patellar opening and felt buttress assist with patellar tracking. (Measure around knee at the widest point.)

279416	S (12"- 13½")
279417	M (13½"- 15½")
279418	L (15½"- 17½")
279419	XL (17½"- 18½")

Diamond Knee Stabilizer

Provides adequate support and compression without adding weight and bulk. Spring steel stays provide added support and stability to the sides of the knee. Patellar opening assists with patellar tracking. Adjustable straps prevent brace migration and slippage. (Measure around knee at the widest point.)

279511	S (12"- 13½")
279512	M (13½"- 15½")
279513	L (15½"- 17½")
279514	XL (17½"- 18½")

Knee Support

Retains heat to help soothe the pain of arthritis, bursitis and tendonitis. Black/Gray, reversible. (Measure around knee at the widest point.)

279202	S (12"- 13½")

278615	XL	(18"- 19")

Dorsal Night Splint (DNS)

Comfortably and effectively relieves the painful symptoms of plantar fasciitis. Unique small anterior dorsal clamshell design holds foot in neutral position to prevent contracture, support the arch and allow for proper healing. Strong, durable clamshell with a triple stitched stretch resistant strap provides exceptional support.

013620	S
013621	L

Moldable Thumb Spica (MTS)

Heat moldable thermoplastic stay for superior immobilization and comfort. Easily adjustable using a heat gun or hydroculator to accommodate pressure points and swelling. Incorporates a comfortable terrycloth interior treated with an antimicrobial agent to help keep the brace clean and odor free. Non-stretch hook-and-loop closure straps at the wrist and thumb ensure proper immobilization.

MTS220	S	MTS240	L
MTS230	M	MTS250	XL

Groin Strain Support

Designed to wrap groin strains, hip abductors and flexor strains. Solid end for wrapping to provide heat and warmth to the injured area while holes allow comfort and breathability around the waist area. 75" end to end.
(One size fits most.)

279900 One Size

Thigh Support

Provides compression, heat retention and support for the quadriceps and hamstring. **Black/Gray, reversible.**
(Measure around the thigh at its widest point.)

279602	S (14½"- 16")	279604	L (18"- 22")
279603	M (16"- 18")	279605	XL (22"- 26")

Patellar Tendon Strap

Molded foam pad compresses the patellar tendon without uncomfortable constriction of blood flow to the lower limb. Low-profile, slim silhouette strap won't migrate during activity. **Black only.**
(One size fits most)

279930 One Size

Elbow Support

For elbow strains, sprains, bursitis and tendonitis. **Black/Gray, reversible.**
(Measure elbow at its widest point.)

279102	S (8½"- 10")	279104	L (11"- 12")
279103	M (10"- 11")	279105	XL (12"- 13½")

Tennis Elbow Strap

279932 One Size

Back Support

279814 S/M 22"-32" (Around waist at narrowest point.)

279816 L/XL 34"-48" (Around waist at narrowest point.)

Dynamic Wrist Orthosis (DWO)

Contoured, low-profile dorsal design limits flexion and extension while allowing finger dexterity. Palm remains open and free from obstruction while protecting the carpal tunnel. Functional strapping system has a proximal neoprene elastic strap for individual fit and a dorsal non-elastic wrist strap for stabilization and comfort.

ESS ENDURANCE SUPPORT SYSTEM

SOLD AS A PAIR

Calf Compression Sleeve

True medical grade compression provides improvement in circulation. Improved circulation allows for faster recovery through improved removal of lactic acid from the muscles. Compression provides a performance enhancement benefit, as well as mild muscular support. Unique knitted design allows for light-weight fit and exceptional stretch and comfort. Seamless construction to avoid pressure points and chafing. (Measure calf at the widest point.)

SOLD AS A PAIR

Ankle Compression Sleeve

Patented articulated ankle joint allows for unrestricted movement while providing mild compression and support to the joint. Compression provides a performance enhancement benefit, as well as mild muscular support. Unique knitted design allows for light-weight fit and exceptional stretch and comfort. (Sized by shoe size.)

279040	Black	S (M: 3-9 / W: 4-10½)
279041	Black	M (M: 6-12½ / W: 6½-13)
279042	Black	L (M: 8½-16)

Knee Compression Sleeves

Targeted areas of graduated compression above and below the knee stimulate blood flow to aid in recovery and the removal of lactic acid. Increases ability to perform and recover. Compression provides mild support to the joint and associated muscle structure. Unique knitted design allows for light-weight fit and exceptional stretch and comfort. (Measure knee at the widest point.)

279025	Black	S/M (12"- 15")
279026	Black	L/XL (15"- 18")

Ice Bags & Dispensers

Heavy-Duty Ice Bags: Heavy 1 mil polyethylene material for increased durability. Extra attention to seams helps minimize breakage due to sharp ice crystals. Measures 9 1/2" x 18" (1500 bags per roll).

Large Heavy-Duty Ice Bags: Larger size promotes greater surface area contact. Heavier 1.25 mil polyethylene bag eliminates the need for double bagging. Measures 12" x 24" (750 bags per roll).

Dispenser: Constructed of 5/16" stainless steel. Tabletop or wall mount. The 16-inch frame allows for mounting to wooden wall studs with the provided screws. Masonry and other surface mounting supplies are not provided with dispenser. Measures 16" x 10" x 6".

236271	9 1/2" x 18"	1.0 mil Polyethylene Roll of 1,500
236272	12" x 24"	1.25 mil Polyethylene Roll of 750
236275	Dispenser	

Flexiwrap™

Plastic film on roller makes wrapping a quick, one-handed task. Provides compression while clear film allows inspection of injury. Patented, built-in handle brake on the roller makes tearing easier. Different sized rolls allow for various wrapping jobs. Self-adhering. All sizes contain 650' of 0.75 mil film.

236106	Clear	4" - 6 rolls with handle
236107	Clear	4" - 6 rolls only
236109	Clear	6" - 6 rolls with handle
236110	Clear	6" - 6 rolls only
236111	Blue	4" - 6 rolls only
236112	Red	4" - 6 rolls only
236108	Handle Only	

iceRight™

One stop solution to youth on-field icing. The heavy-duty, zip closure plastic bag holds the ice and is inserted into the moisture absorbing sleeve and is wrapped around the limb or joint with the self-adhering, high-stretch, elastic bandage. Hook-and-loop closure elastic bandage provides excellent compression which, when combined with the cold therapy of the ice, helps minimize swelling of injured limbs and joints.

760397 Blue

760398 Pink

Cold Spray

Fast, temporary cooling spray. Topical coolant that evaporates from the athlete's skin, lowering the surface temperature. Non-staining.

033627 6 oz. Spray

033632 10 oz. Spray

Cryo Caps™

Neoprene covers for the toes and forefoot. Designed to reduce the discomfort of ice baths without inhibiting the therapeutic benefits.

(Sold as pair. One size fits all. Black only.)

279820 Cryo Caps™ Pair

Cold Shoulder™ Wrap

Provides full coverage cold therapy to the shoulder, rotator cuff, upper arm and elbow. Universal right or left fit.

(One size fits most due to the underarm stretch panel that stretches to fit a variety of arm sizes.)

279826 Cold Shoulder™ Single

Cool Towel

Keeps you refreshed and energized. Rinse with cool water, place on neck or head and enjoy a refreshing cool feeling. The absorbent material absorbs sweat and water five times faster than a cotton towel. Machine washable.

760391 L (27" x 17") Each

Cool Towel Bucket

Contains 12 small Cool Towels in an easy-to-store bucket.

760393 Each Bucket

HYDRATION

Power Mister Portable Misting Accessories

Transform your portable Cramer water system into a cool mist station. All-in-one, easy-to-install design with no additional water or power hookups needed. The only unit that serves as a drinking station and misting unit on the market. Collapsible for ease of transport and storage. Installs in less than 20 minutes. Uses only 3 gallons of water an hour and can run more than 10 hours on a fully charged battery.

030200

Power Mister 3x (Compatible with PowerFlo™ 50 and ThermoFlo Max™ Hydration Units)

030100

Power Mister 2x (Compatible with PowerFlo™ 10, PowerFlo™ 20 and ThermoFlo™ Hydration Units)

PowerFlo™ Hydration Unit

Holds up to 10 gallons with four drinking stations. Secured to metal hand truck for portability. Front mounted box for increased stability. Deluxe charger preserves battery life.

026000 4 Drinking Unit Stations

PowerFlo™ 20 Hydration Unit

Holds up to 20 gallons with six drinking stations. Unique square tank with rounded corners to facilitate easy cleaning. 9" opening allows for easy use of ice. Deluxe charger preserves battery life.

029000 6 Drinking Unit Stations

PowerFlo™ 50 Hydration Unit

Carries up to 50 gallons with six drinking stations. Wide opening to facilitate the use of ice and easy cleaning. Heavy-duty metal cart with unique anti-tip steering system and 10" pneumatic tires. Deluxe charger preserves battery life.

028000 6 Drinking Unit Stations

ThermoFlo Max™ Hydration Unit

Insulated cooler with 30-gallon (120-qt) ice capacity. Dual 30' (60' total) copper coils for the ultimate in cooling capability. Highest-quality hose fittings for the best in dependability. Manifold features heavy-duty aluminum supports. Secured with two high quality nylon straps. White water potable hose (027007) sold separately.

027200 6 Drinking Unit Stations

ThermoFlo™ Hydration Unit

Insulated cooler with 10-gallon ice capacity. Smaller size for greater maneuverability and ease of transport. 30-foot copper coil effectively cools water in almost any condition. External manifold provides for easy access to hose connections for ease of cleaning and winterizing. (White potable water hose (027007) sold separately.)

027100 4 Drinking Unit Stations

Collapsible Carrier

New design collapses smaller for easier storage and transportation. Drain holes in the platform prevent condensation buildup. Holds six quart bottles.

Call 800.345.2231 for details.

RECONDITIONING PROGRAM

■ Comprehensive ten-point inspection ensures that all components are sanitized and reaching optimal performance.

- Inspect drinking system and determine if any parts need replacement
- Check complete system for leaks in the manifold, valves, hoses and nozzles
- Inspect and repair all wiring
- Inspect and clean filter (replace if necessary)
- Check battery performance
- Check charger performance
- Check pump performance
- Clean and sanitize entire drinking system
- Dry winterization
- Certify drinking system against manufacturers' defects for a one year guarantee

Reconditioning performed by Cramer manufacturing personnel.
Backed by Cramer's 100% guarantee on parts and labor against manufacturers' defects.
Extends manufacturers' warranty by one year.

FOOT CARE

Skin Lube®

Helps prevent blisters in friction prone areas. Application lasts longer than similar products due to higher melting point.

192522 2.75 oz. Tube

192538 1 lb. Jar

192540 5 lb. Jar

192542 25 lb. Jar

NEW

Frixion

Cramer Friction helps reduce the friction that leads to blisters, chafing and rubbing. No mess roll-on applicator allows for easy use on heels, feet, toes and inner thighs.

762400 Frixion

Blister Foam

Cushioned, adhesive foam patch used to prevent blister-causing friction. Conforms easily to any skin surface. Stays on when wet.

030907 Box of 25

030908 Box of 100

Blister Derm™

Helps protect athletes from blisters and hot spots. Glycerin-based gel is thin enough for comfort and thick enough for protection. Won't dry out, so one pad outlasts the blister. 3" circle.

030905 Package of 20

Anti-Fungal Powder

Non-sticky greaseless spray. Dries fast. For treating athlete's foot, jock itch and ringworm.

062144 Anti-Fungal 4 oz. Powder

Economy Padded Heel Cups

Soft, flexible PVC conforms to heel and shoe. Padded model adds a cloth-covered polyurethane cushion that "breaths" for better ventilation.

082100 Box of 12

WOUND CARE

BloodSTOP®

Works to stop bleeding up to four times faster than other methods while its 100 percent natural cellulose content actually promotes faster healing of the wound. Tensile strength of dressing is able to stabilize most minor lacerations and wounds effectively. Product is water soluble so it is easy to remove without running the risk of reopening the wound. BloodSTOP® is hypoallergenic, biologically inert and environmentally friendly. Sterile packaging is easy to open but still allows for a long shelf life.

030715 Combo Pack
(1" x 1" 8 Each / 2" x 2" 2 Each)

Nova Derm™

Glycerin gel formula soothes irritated nerve endings to help relieve the pain of cuts, scrapes and burns. Unique formulation promotes a moist healing environment to facilitate faster healing. Nova Derm™ locks out infection and allows the wound to heal from the "inside-out," minimizing scab and scar tissue formation.

030901
White 4" x 4" Box of 5, 1/8" thick

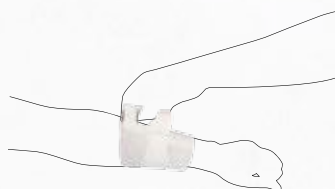

Wrap 'N' Go Wound Bandage

Unique concept in sideline wound dressings incorporates all the necessary elements into one sterile package. 3-inch length of cohesive is ample for addressing open wounds, abrasions or burns on any body part. Each packaged sterile for safety and ease of transportation. Available in white and black.

EDUCATIONAL SERVICES

NEW

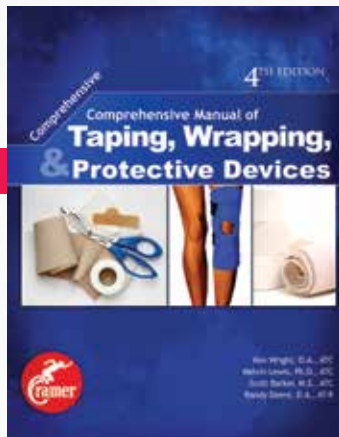

Basic Athletic Training 6th Edition

Basic Athletic Training is a comprehensive introduction to current philosophies, procedures, and practices related to the care and prevention of athletic injuries. It is written and edited by certified athletic trainers as a comprehensive introduction to current philosophies, procedures, and practices related to the care and prevention of athletic injuries. This new edition provides comprehensive beginner and intermediate-level instruction on the principles of sports medicine and athletic training. The athletic training student will learn the basics of athletic training and have a working knowledge of common preventive, evaluation, treatment, and rehabilitation techniques in sports medicine.

Co-Authors - Ken Wright, D.A., ATC, Scott Barker, M.S., ATC, Jason Bennett, D.A., ATC and Randy Deere, D.A. AT-R

A SHARED PASSION FOR EDUCATION

The partnership between Cramer and Performance Health is based on more than business; it is rooted in a passion for providing education and information to athletes and the professionals that serve them on a daily basis. Cramer is renowned for its long running support of athletic training workshops and athletic training educators across the country. Performance Health has taken education and research into the digital age with the Performance Health Academy, an online resource designed as an ever expanding knowledge base for athletic trainers, physical therapists, coaches and athletes.

SEE PAGE 33 FOR EQUIPPED CONTENTS.

Since 1918 Cramer has been dedicated to providing athletic trainers with the most advanced equipment on the market. The new Tuf-Tek line of premium athletic training kits is no exception. Working side by side with professional athletic trainers, the Cramer product development team identified and implemented new key product features into the 2013 line to make it the most advanced series of soft-sided athletic training kits to date.

- **Advanced Organization** - Multiple layers of exterior storage allow you to organize equipment more efficiently and access it quickly.
- **Improved Materials** - Durable and flexible rubberized nylon strategically placed around corners and key stress points reduces material fatigue and fraying.

- **Rigid Internal Support System** - Designed to support the exterior, as well as the interior, the rigid internal support systems ensure maximum durability on the outside and equipment protection on the inside.

ATHLETIC TRAINING KITS

Rigidlite™ Tactical

All new uniquely designed pack created for quick, easy access that stays out of the way while still close at hand. Can be worn left or right leg. Specially designed cell phone/electronics pouch with protective rigidlite shell that fits and protects all smartphones on the market today. Protective and easy to organize semi-rigid thermoformed material with wide comfort straps. Main compartment sized to carry prewrap, tape, and bandages. Measures 4" x 6" x 9"

111959 Empty

Rigidlite™ Razor

Our slimmest backpack design yet perfect for those who only want to carry a limited amount of supplies and who need to transport a portable electronic device. Protective and easy to organize semi-rigid thermoformed material with wide comfort straps. Clear plastic organizer pouches and medical bottle elastic loops double as electronics peripheral organizers. Perfect for a laptop and paperwork along with areas for storage of chargers or power cords. The laptop pouch also holds the Cramer medical organizers. Measures 11" x 5 1/2" x 16"

111990 Empty

Rigidlite™ Slimpak

Ballistic nylon laminated thermoformed outer shell for the ultimate in light-weight protective materials. Slim design addresses overloading kits with unnecessary supplies. Sized to fit a 15 1/2" monitor laptop. Measures 11" x 7 1/2" x 18"

111964 Empty

Rigidlite™ Sideline

Thermoformed protection encased in our 1680 ballistic nylon. Modular tear away components for easy transport of specific items. Divided in two, three-zippered cavities each with varying organizational pockets and compartments. Measures 13" x 9 7/16" x 17"

111960 Empty

Rigidlite™ Gameday

Get quick access to the supplies you are looking for with this extremely customizable kit. Features ten removable modules including the RigidLite Tape Carrier. Comes with nine clear top zippered bags that keep their shape when empty. Rigid PVC skeletal system provides structure, support and organization by creating custom compartments for each of the ten modules included in the kit. Measures 19" x 14" x 11"

111963 Empty

Rigidlite™ Messenger

This kit implements many of the features found in the rest of the Rigidlite line using modular organization and a semi-rigid thermoformed structure with rigid skeletal support. Slide around design allows you to work out of the bag without taking it off. Padded structural dividers allow you to customize the space and keep things organized. Measures 17 1/2" x 14" x 6"

111995 Empty

Rigidlite™ Tape Carrier

Protect your tape with ease and organization. Protective and easy to organize. Holds two layers of six tape rolls. Measures 9½" x 7" x 3½"

111965 Empty

Rigidlite™ Pods

Modules have elastic netted pockets on both sides so you can keep your gear in place and still see what you are looking for. Center divider has zippered clear plastic pockets perfect for meds, bandages and other small items. Thermoformed protective shell for light-weight protective organization.

Pod- Measures 7" x 3¼" x 10½"

PERFORMANCE SERIES

Thunder 7

HARD
Thigh
Pads

7-pad integrated girdle features permanently attached hip, tail, thigh and knee pads for the highest level of protection and convenience. The Thunder 7 features hard thigh pads made from the new Cramer Spider Web EVA foam, reinforced with high impact plastic shells for maximum protection. Extended hip pads promote iliac crest protection without impeding athletic performance.

Fabric: 80% Nylon / 20% Spandex with 100% polyester mesh crotch panel, anti-microbial and moisture wicking.

Thigh Pads: Are a combination of the Spider Web foam laminated to a layer of high impact plastic.

Waistband: 2" wide with Spandex Elastomer

Adult Stock Sizes: S-4XL

Stock Colors: White Gray

Lightning 7

7-pad integrated girdle features permanently attached hip, tail, thigh and knee pads for the ultimate in performance and convenience. The Lightning 7 features soft, light-weight thigh pads made from the new Cramer Spider Web EVA foam pads for the ultimate in breathability and mobility. Extended hip pads promote iliac crest protection without impeding athletic performance.

Fabric: 80% Nylon / 20% Spandex with 100% polyester mesh crotch panel, anti-microbial and moisture wicking.

Thigh Pads: 5/8" thick Spider Web foam

Waistband: 2" wide with Spandex Elastomer

Adult Stock Sizes: S-4XL

Stock Colors: White Gray

Thigh
Pads

Skill 7

FOAM
Thigh
Pads

Designed for the speed of the collegiate game, the Skill 7 features a reduced footprint of the new Cramer Spider Web EVA foam pads in the hip and knee to minimize weight and bulk while still providing protection where it is needed most. The 7-pad integrated girdle features permanently attached hip, tail, thigh and knee pads to provide light-weight protection and ease of use.

Fabric: 80% Nylon / 20% Spandex with 100% polyester mesh crotch panel, anti-microbial and moisture wicking.

Thigh Pads: 5/8" thick Spider Web foam

Waistband: 2" wide with Spandex Elastomer

Adult Stock Sizes: S-4XL

Stock Colors: White Gray

The Cramer Performance Series combines **Stromgren's** history of quality and protection with Cramer's commitment to sports medicine, resulting in a new dynamic of protective apparel. Realizing that certain positions are exposed to specific injuries and impacts, the Performance Series features three different padding options designed to protect players across the field. Providing the right protective padding in the correct position maximizes protection without adding unnecessary weight or bulk.

PLAY FAST. PLAY LIGHT. PLAY SAFE.

The Cramer Classic Series of girdles is the reinvention of the battle tested **Stromgren** line of girdles that has taken the field for years. All of the proven Stromgren protection and quality are still here with a few improvements to keep them at the top of their game. With models available for both youth and adult, Cramer brings dependable protection and quality to athletes at every level.

PLAY FAST. PLAY LIGHT. PLAY SAFE.

1585

5-pad football girdle with permanently attached hip, tail and hard thigh pads. The unique FlexPad II system provides dual layer foam protection at the hip to protect the iliac crest and minimize hip pointer injuries.

Fabric: 25% 280 Denier Spandex / 75% 50 Denier Nylon, moisture-wicking, anti-microbial.

Pads: The high rise hip FlexPad II system provides 2 layers of foam on either side of the waist band to provide additional padding over the iliac crest to better protect athletes against hip pointers without impeding mobility or performance. All foam is perforated for increased breathability.

Thigh Pads: Plastic reinforced thigh pads provide increased protection against contusions.

Adult Sizes: S-4XL

Stock Colors: White Gray

Custom Colors: Black Red Royal Navy

3037 Dazzle Game Pant

Dazzle 7-Pad Football Game Pant

- High-rise hip pads help protect the iliac crest against hip pointers
- Lace-up fly front with tunnel style belt loops and matching belt
- Entire garment can be machine washed and dried

Fabric: 100% Polyester Dazzle Cloth

Thigh Pads: Latest design, perforated, high-impact absorbing plastic and foam for superior protection.

Hip Pads: Integrated hip pads feature high-impact, closed-cell EVA foam that is perforated for breathability and comfort. High-rise design promotes better protection of the iliac crest to reduce the likelihood of hip pointer injuries.

Tail and Knee Pads: Manufactured with high-impact absorbing, perforated and closed-cell EVA foam.

Adult Sizes: S-2XL

Youth Sizes: YS-Y2XL

Stock Colors:  White  Graphite  Black  Red
 Royal Blue  Navy  Purple
 Forest Green  Vegas Gold
 Silver Gray

Lace-up Fly Front

Patent No. 8272073

TRAINING APPAREL

Every coach will tell you that championships are won in the off-season and that games are decided on the practice field and in the weight room. Cramer Performance Apparel is built to protect the athlete when they are doing the dirty work: the lifting, the running and the practicing. Designed to both minimize injury and help treat an existing injury, Cramer Performance Apparel is built to support athletes when they need it the most.

PLAY FAST. PLAY LIGHT. PLAY SAFE.

GH2

Unique strap design provides a multitude of options for supporting the groin, hip flexors and hamstrings.

- High-stretch straps provide consistent, even pressure
- 6 inch wide strap provides support for the quads and hamstrings
- 8-foot 4-inch strap provides the ability to wrap for support of either the groin or the hip flexor
- Anti-microbial, moisture-wicking fabric

Waistband: Elastic

Adult Sizes: S-4XL

Stock Colors: White Black

Performance Shorts

Premium quality, high stretch panels provide compression and support to core muscle groups during intense activity.

- Abdominal support panels designed to provide compression to the core muscle groups
- Seamless side panel construction for comfort and improved performance
- Extended length to help stabilize the hamstrings and thighs
- Anti-microbial, moisture-wicking fabric

Fabric: 78% Nylon / 22% Spandex

Waistband: 90% Polyester / 10% Spandex

Adult Sizes: S-4XL

Stock Colors: White Black
